MISSING STEAMER. Considerable anxiety is felt regarding the steamer Morris, which sailed from New Haven four weeks ago for West Point, at the head of York river, Vir-ginia, where she was to be used to earry freight and passengers. She got as far as Barnegat, whence she returned on account of a gale to Sandy Hook. Having recoaled and taken on provisions, she started off again, as is supposed, since which time she has not been heard from. On board were the two sons of Captain M. L. Baldwin, of East Haven, the owner of the boat; Theodore, the captain of the Morris, and Edward, the pilot; Edward Fowler, engineer; the fireman, name unknown; William Parkinson, cook; and two passengers, named Green and Parsons. The boat is valued by Captain Baldwin, Sr., the sole owner, at \$10.000. She is insured against fire, but not against marine risks.
